

CV

Dr. Juncai MA,

Director, Information Center, Institute of Microbiology, Chinese Academy of Sciences (CAS)

Address:

Institute of Microbiology, Chinese Academy of Sciences

Datun Road, Chaoyang District, Beijing 100101, P. R. China

Tel: +86-10-64807422

Fax: +86-10-64807426

E-MAIL: ma@im.ac.cn

Education:

Ph D degree from Department of Bio-resources, Mie University, Japan

Other Positions:

1. Deputy director, Experts Council of Scientific Databases, Chinese Academy of Sciences (CAS)
2. Director, Integration Data Center of Bio-Collections, CAS
3. Member, WFCC Executive Board
4. Member, Council of Committee for Type Culture Collections, CAS
5. Member, China National Committee of CODATA(2000-2008)
6. Director, Microbiology Division of Chinese Biodiversity Information Center

Main research interests and activities

1983-1994:

- Developed Microbial Information Numerical Taxonomy System, Microbial Resources Database of China, Gained two Academic Awards from Chinese Academy of Sciences.

1995-Now:

- Developed Microbiological Division of Biodiversity Information System of China.
- In charge of biology field of biggest information project in CAS, Scientific Databases(SDB), integrating the information resources from 15 biological institutes.
- In charge of the information system for culture collections(living resources) in CAS, establishing the network system for national biological resource centers. In charge of the information system for bio specimen museums in CAS, integrating specimen information from 24 museums. There are 16,000,000 specimens in the 24 museums in CAS.
- Developed the prototype of Asian BRC network

Academic Awards

| Year | Type of Academic Awards | Order of Authors |
|------|--|------------------|
| 1989 | First Level Award for Excellent Paper of Outstanding Young Scientist, Institute of Microbiology, CAS Paper title: Numerical Taxonomy System for Microbiology | First Author |
| 1989 | Third Level Award for Scientific Advancement, Chinese Academy of Sciences Project title: Numerical Taxonomy System for Microbiology | First Author |
| 1992 | First Level Award for Excellent Paper of Outstanding Young Scientist, Institute of Microbiology, CAS Paper title: Microbial Resource Database of China | First Author |
| 1992 | Second Level Award for Scientific Advancement, Chinese Academy of Sciences Project title: Microbial Resource Database of China | First Author |
| 1997 | First Level Award for Scientific Advancement, Chinese Academy of Science Project title: Scientific Databases | The Sixth Author |
| 1998 | Second Level National Award for Scientific Advancement, Chinese Government Project title: Scientific Databases | The Sixth Author |
| 1999 | Yingke Outstanding Young Scientist Award, Chinese Academy of Sciences | First Author |
| 2000 | Received the governmental allowance | First Author |
